

**NOTICE OF CANCELLATION OF  
REQUEST FOR PROPOSALS FOR LIQUID CHROMATOGRAPHY TANDEM MASS  
SPECTROMETRY SYSTEM**

**ISSUED: APRIL 28, 2023**

The Request for Proposals for Liquid Chromatography Tandem Mass Spectrometry System advertised on April 7, 2023 (RFP) is canceled and all proposals submitted in response to the RFP are rejected.

Clean Water Services (District) received five proposals in response to the RFP and all of them varied from the exact requirements in the RFP, including proposing changes to the contract, which was not allowed under the terms of the RFP.

District has determined pursuant to District Purchasing Rule 30-102(1) and 30-115 that it is in the public interest for the RFP to be canceled and all proposals rejected.

The District intends to reissue the RFP to clarify requirements and allow proposers to propose changes to the contract.
